Delta Kappa Gamma Society International  
**Helping to Restore One Classroom at a Time**

If you are compelled to donate *now*, you may donate directly to the school districts or local foundations. This list will be updated as districts update their page: [Ascension Parish](#), Baker, [Central School District](#), East Baton Rouge Parish, [Livingston Parish](#), Tangipahoa, Zachary.

*In addition, we have organized two ways for you to help those affected by these tragic floods.*

<b>Option 1: Donation Drive</b> (best for multiple teachers, a school, or an organization)	
Teachers	Donors (postage may be required)
Teachers can fill out a <u>needs form</u> to help focus the donation drive.	Donors can <u>choose a teacher</u> and then hold a drive to meet the needs.
The materials, once collected, will be distributed to teachers, per district policy.	Once items are collected, the donors can fill out <u>this form</u> to track what was collected.
<i>Teachers, please be aware of student privacy laws and not share student data if you send a thank you note to donors.</i>	Materials should then be sent to <u>Margret Atkinson</u> , and the materials will then be delivered to the teachers.

<b>Option 2: Individual or Group Direct Donation</b>	
Teachers	Donors (postage may be required)
Teachers can create a wish list on Amazon or Office Depot to help focus donations. <i>Please be aware that your list should be made public BUT separate from personal lists, as your list will be shared with a donor.</i>	Donors can <u>choose a teacher</u> and Margret Atkinson will share that teacher's wish list.
Teachers should share their wish list with Margret Atkinson ( <a href="mailto:fmatkinson@gmail.com">fmatkinson@gmail.com</a> ), who will then share the lists with donors as they sign up. <i>Teacher names, as recorded on the wish list, will be shown.</i>	Donors can peruse the wish list and purchase what they can. The donor will ship the items to Margret or her designee, via the company used, and Margret will contact the teacher to let him or her know.
<i>The materials, once purchased, will be sent to Margret or her designee; these materials will then be distributed to teachers, per district policy.</i>	Donors should then email <u>Margret Atkinson</u> , confirming that items were purchased.
